Annual Meeting

Once again it is time for Hadley Park's Annual Meeting. The meeting will be held on Monday, September 21, 2009, beginning at 6:30 p.m. at the Avery's Creek Community

Center. Homeowners will receive a packet of information from IPM prior to the meeting. Please mark you calendar and plan to attend.

Open Director Position

A Board Member's term in office will expire in September 2009. The Board Member is willing to serve another term if no one comes forward to run for this position. However, we want all homeowners to have the opportunity to serve on the Board. Anyone interested in filling this position should prepare a brief biography and send it to Jane Fuqua at IPM no later than August 31, 2009. All biographies will be included in the Annual Meeting information packet mailed to homeowners. Nominations will also be taken from the floor during the Annual Meeting and the attendees will vote for the candidate of their choice to fill this position.

We hope everyone is enjoying the trees and shrubs planted with the help of Asheville GreenWorks and Landmark Landscaping along Glen Bridge SE and Ledbetter Roads. In just a few years, these trees and shrubs will fill out and Hadley Park will have a comfortable, lived-in appearance. We are striving to make Hadley Park a great place to call home. Thank you to all who contributed their time and/or money to help make this project a success.

Ice Cream Sundae Social

The Social Committee is planning Hadley Park's 1st Ice Cream Sundae Social to be held on Friday, September 11, 2009 at 7:00 p.m. (rain date Friday, September 18, 2009) at the Briar Creek turn around. Neighbors are requested to bring a half gallon of their favorite store bought or homemade ice cream and chairs to sit on. Everything else will be provided. This will be a fun occasion for children and adults. AND, you won't have to prepare dessert for your family. We hope to see you at this event.

Crosswalk

The Board of Directors is currently pursuing signage to alert drivers of pedestrians walking across Ledbetter Road between the 2 sections of Hadley Park. So far, we have been told we do not have sufficient numbers for the NCDOT to put in a sign or crosswalk but we have not given up. We hope to find a solution to this increasing problem. The safety of our residents, their children and pets is our primary concern. If anyone has a suggestion, please contact a member of the Board or send an email to hadleyparkhoa@yahoo.com.

NOTE: Please be careful pulling out at the Ledbetter and Glen Bridge SE cross streets. We have noticed drivers running the stop signs.
