Beautification "Master Plan"

The Master Plan presented by Landmark Landscapes at the Town Hall Meeting in March has been put on hold due to current economic concerns. We hope to revisit this plan and/or alternatives at a later date. In the interim, homeowners who would like to contribute toward the purchase and planting of trees, shrubs, flowers, etc. along Glen Bridge and Ledbetter Roads are welcome to do so. We have set up a separate bank account for these funds. Contributions may be made in honor of a special event or loved one and will be recognized.

Homeowner contributions are a way to kick off a beautification plan that can be enhanced as funds become available. AND, because it is voluntary, it will not put a financial burden on homeowners who are feeling the pinch of the high prices at the gas pumps.

If you would like to contribute, please send your check payable to Hadley Park Beautification, c/o IPM Corporation, P.O. Box 580, Arden, NC 28704. Please indicate if your contribution is in honor of a loved one or event.

Street Sign Update

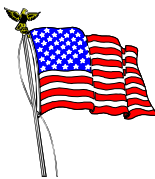

The street signs for the intersections at Glen Bridge SE and Ledbetter and Ledbetter and Brevard have been purchased by the county. The new signs will be installed in the near future.

White Sewer Pipes

We are please to announce that all but five of the unsightly white sewer pipes have been shortened to ground level and capped with green caps. We are working on a solution for the remaining five which are out of range for this free service.

In Celebration of our Country

The Social Committee has plans to place a small American Flag next to each mailbox in Hadley Park in celebration of the July 4th Holiday. The flags will be collected after the holiday and stored for reuse next year. If you do not want a flag on your property, please notify Shirley Holtz, (828) 681-9597.

Neighbors Who Care!

Flags - A **BIG** thank you to Marlene Nannuley, Shirley Holtz, Belle Mieloch and Mark Feightner for contributing materials, time and money for the American Flags to be displayed in Hadley Park over the July 4th Holiday.

Hadley Park Sign – A **BIG** thank you to the Feightners and Coopers for supplying paint and labor in repainting the Hadley Park sign.

Clover

If you have an abundance of clover in your yard, help is on the way. Landmark Landscapes can help with this problem by aerating and over seeding your yard in the fall (October/November). The cost is \$.04 per square foot. Contact IPM to sign up for this service.

Dads... test your knowledge!
